

# EAGLE BRIEF

December 21, 2020

Parents and Guardians,

Wow, what a year 2020 has been! We could not be more thankful for your patience and perseverance this year as we have navigated through virtual and in person education. There are a few updates we wanted to share with you below, but we also want to wish you each a very Merry Christmas and a Happy New Year. We all hope that you have a safe and enjoyable break together with your families.

1. First and foremost, at our December board meeting, the Caseville School Board voted that school will still resume after break on January 4th, but to keep instruction virtual, with in person instruction beginning on January 11th. This decision is based on data trends after holiday travel and guidance from our local health department. Please keep in mind once again, **school will resume Monday, January 4th**. Students will be expected to login to Google Classroom and attend zoom meetings per their teacher.
2. Currently the MHSAA is still working on winter sports. They allowed fall sports to pick back up so they could finish out their season tournaments, and we are hopeful for basketball to begin mid January for our 6-12th grade kids. As soon as more information is available on this, we will share it with you!
3. We hope you have been able to utilize the food we have sent home for breakfasts and lunches. We hope to continue to do this as long as we are virtual. If there is anything that you need at all, please do not hesitate to reach out to us.

Thank you and as always, **GO EAGLES!**

*Merry  
Christmas  
& Happy  
New Year*
