

EAGLE BRIEF

September 4, 2020

Parents and Guardians,

We are excited to start a new school year! School will begin on Tuesday, September 8 at 8:00am and dismiss at 3:00pm. Since parents and guardians will not be allowed into the building, we have a special surprise set up to make things a little bit easier for you on the first day, please see below!

1. On Tuesday, we will have a school photographer in the building! Each student will have their photo taken professionally in front of our Back to School sign! Parents and Guardians will get a copy of the photo and will be able to order additional prints as well to keep as a memory of their first day.
2. **Please remember students will not be allowed into the building until 7:50am. Please do not drop your student off prior to this time.**
3. Once again, parents will not be allowed into the building. If you need to speak to office staff or administration, please call and set up an appointment with them prior to your arrival. You may email or call Mrs. Sancrant or Mrs. Goforth at any time.
