#### Reconfirmation Meeting for <March>

(Recommendation: Explain in narrative form any modifications to the original Extended Learning Plan)

Virtual numbers continue to be down slightly, at only 10 elementary students (three returning to face to face), five middle school students (one returning, one went virtual), and nine high school students (two returning), for a total of 24. Students were given a two week grace period to change their mind. That time is now up. We have one student working remotely on American School, but as she finishes these courses will be enrolled in Edgenuity. We also continue to have one elementary student working on Calvert Academy.
